

Bean Pot Region AACA Special Event & Annual Meeting

We haven't held an annual meeting for Bean Pot members over the past couple years due to the pandemic but are planning to remedy that this year with a very special event to be held in September for members and their guests. The National Park Service has extended an exclusive invitation to us for an **Antique Vehicle Show** in the **Charlestown Navy Yard** on Saturday, September 10th, 2022, from 10 am to 3 pm. Rain date is the following Saturday, September 17. They are requesting vehicles from the 1930s through the 1960s, though all pre-1997 are welcome. The number is limited due to available spaces. Pre-registration is requested by July 15 and is on a first come, first served basis. For security purposes, all vehicles must be preregistered, and must be driven in - trailer parking is not available. Please plan to arrive between 9 - 10 am. Vehicles must be registered and insured and will be admitted through a secure gate. You will be asked for identification, e.g. current MA license. There are two public parking garages within walking distance of the Navy Yard for any members who will be attending without a show car.

While on display, all vehicles will be under the watchful eye of the National Park Service Protection Division. Both the USS Constitution and USS Cassin Young will be open for visitation, as will the Constitution Museum and Navy Yard Visitors Center. A personal tour of the Cassin Young by one of our club members will be available if enough folks are interested.

Live entertainment will be provided by The Mood Swings Orchestra, Boston's all-women big band, from 10 - 2. **Our annual meeting will begin promptly at 11:00 a.m.** A cold lunch buffet from Boston Catering will be available after the meeting. We ask that you prepay for that so we know how much food to order.

Please complete the form below along with your check for lunch and mail them to us before July 15. Questions, contact event Chair Steve Briand (usscassinyoung@yahoo.com or 857-247-2772) or Philip Doucet (978-470-0498 or PDoucet@BeanPotAACA.org). We look forward to seeing you at this special event.

The car show area will be in the shadows of the USS Constitution and the USS Cassin Young, a WW2 Fletcher Class Destroyer. Here's club member Jack Carroll with his 1939 LaSalle Coupe at a Navy Yard event in 2019.
